# TW Project

## Department of Computer system Engineering

### Introduction to Latex

University of Engineering Technology Peshawar

July 30, 2022

# Introduction

I am Ashfaq Ahmad Belong to District Battagram, Currently doing Bs in computer system engineering from University of Engineering and Technology Peshawar.

# Rating Myself on scale of 1-10

I rate my current life 9 out of 10.

# Making Rate 10/10

if i think today and speak tomorrow before the beginning of any task, i think it can rate my life 10/10.

# Factors That effect my life Rating

Rushing is only factor That effect my life Rating.

# Memorable picture/video

## Reason of Memorable

This Picture is memorable for us because the two gays in above Picture are my best friend. we were class fellows in First year and second year. After 2nd year we had not met 1 years and 6 months, but corona became a reason of our meeting. In LockDown we were all home and we decided for gathering. for gathering we had gone to stream among the two mountains. the whole surrounding was green and enjoyed such fresh environment a lot which is memory for us today and forever.

# Thank you!
